

European Conference of Arab Horse Organizations

To: All organizers of ECAHO affiliated shows
From: ECAHO office
Subj: Catalogue instructions regarding mandatory publication of ECAHO rules

Dear organizers,

Effective after the most recent showcommission meeting we want to explain the following suggestion for show organizers and their catalogue procedures.

- For every event that includes ECAHO affiliated halter classes, it is mandatory that the Rules for Conduct of Shows are published in the catalogue.
- For every event that includes ECAHO affiliated sport classes, it is mandatory that the Rules for Conduct of ECAHO Sport Competitions are published in the catalogue.
- If both are organized in the same event, both Rules need to be published in the catalogue

We realize that these rules take up a big amount of pages and as ECAHO supports anything that leads to the reduction of waste and cost the Showcommission has approved the use of QR Codes to replace the publication of multiple rule pages. Exhibitors and visitors can scan the code with their smartphone or tablet when needed to search the QR connected rules for any relevant information.

Therefore you are now allowed to use ECAHO QR codes to replace these pages. In addition to the ease of use ECAHO will keep the linked documents up to date for you as long as you use the official ECAHO distributed QR Codes and under the following updated Bluebook conditions and terms :

The show catalogue shall furthermore contain:

- The names of all the Officials
- The Rules for Conduct of Shows or ***the respective ECAHO generated QR Code***
- ***The Rules for Conduct of ECAHO Sport Competitions or the respective ECAHO generated QR Code if ECAHO affiliated Sport Classes are scheduled to be ridden.***
- The judging system
 - **how many topics**
 - **10 or 20 point system and if halfpoints are used**
 - **deleting highest/lowest point system, if used**
 - **complete rules for ties and championships**
 - **the type of championship chosen by the organizer**
 - **rules for foal classes (if applicable)**
- For Shows where prize money is awarded the total amount and distribution of the prize money

Please be sure that all the above mentioned items are the same as published on your entry-schedule as the schedule is the leading-agreement with the exhibitors entering in your event.

Correct QR Codes are attached to this message or can be downloaded from the ECAHO website under “catalogue”

As a matter of courtesy to ECAHO we ask you whenever possible to also publish in your catalogue the attached advertisement with QR codes for download of the new ECAHO app. We would highly appreciate the effort to do so.
